The Deadline for the April
Wellspoken is March 22nd 2019
President’s Report

As you already know, the Board approved a bid to replace the shuffle board courts that have been showing a lot of wear in the last three or four years. This will involve removing the old concrete and replacing with new. The total cost will be in the range of $70,000. and will be coordinated with the replacement of the west tennis court that was approved 14 months ago. This will insure that these two playing surfaces will be in top condition for many years into the future. We will also save several thousand dollars in maintenance costs over that time as well. In addition the new tennis surface will give us the option to add pickle ball, which has generated much interest, to our activity schedule.

We welcome Nancy York as our newest Board member and congratulate Marge Pond for her re-election to the Board as well. On the other hand are giving a big THANK YOU to Bob McGuire for his years of service to the community as he leaves his position as a Board member.

The March monthly Board meeting will be held on Wednesday March 13th at 7:00 pm in the clubhouse. Prior to that meeting at 6:00 pm we will have the community outreach officer of the Mesa Police Department to give a presentation concerning security and some of the steps that we can take to keep us and our homes safe. Do plan to attend.

We have had a vast amount of rain the last couple of days, over one and a half inches as of this writing and here is hoping that no one has had any water problems as a result.

Until next time, stay safe and healthy, and don't forget your taxes and INCREASE IN HOA DUES FOR MARCH.

Manager’s Report

Scott Brenner, HOA Manager
Wells HOA Office,  480-641-3776, office email: office@thewellshoa.com

As many of you already know the recycle bins have been replaced with City of Mesa recycle bins. This change should be a big improvement over the inconsistent service of the previous company. The City of Mesa has made it very clear that if the recycle bins are not used properly they will remove them from the community and they will not be replaced. Unfortunately residents of the community are already using them improperly. The most common violations are bagged recyclables, plastic bags, used paper plates, used napkins, and Styrofoam in the recycle bins. See last page of this Wellspoken for acceptable items. These bins benefit and save the community money. If the City of Mesa should remove the bins because they are not being used properly it would be necessary to place additional regular waste bins which would be an increase in cost to the community. Please only put acceptable items in the recycle bins so that we don’t loose this benefit.

There have been several reports of residents driving in the community in excess speeds over the 15 mph speed limit. This speed limit is in place for the safety and well being of the community and it’s residents. Please be conscious of the speed limit while driving in the community.

If you have a caretaker who watches over your property we ask that you fill out a departure form that includes the caretaker’s contact information. This way the HOA office can contact them regarding any issues that may arise at the property.

As always, BE CAREFUL OF WHAT YOU FLUSH IT COULD COST EVERYONE $$$$$
THE WELLS COMMITTEES

Architectural Review Committee (ARC)

Clayton Breezee, Liaison, 320-894-6096, Don McDermott, Milford (Butch) Jackson, Paul Schmidt, Bill Bialk, Dann Landers, Walter Wright, Russell Ahlquist, Mel York, Larry Brand, Sonny Olsen alt

Homeowners that are going to alter landscape or do any work on the outside of your home, you need to get approval from the ARC committee.

ARC Committee meets the first and third Thursday of each month at 9:00am in the Boardroom. Pick up and return your completed ARC Request Form to the HOA Office prior to the next ARC meeting. If you are painting, attach a sample of the colors you selected. There is a color book in the HOA Office that contains approved colors. It also contains approved colors for driveways and planter boxes. If you have any questions when filling out the ARC form, contact one of the ARC members for assistance. If you are doing any remodeling on the outside of your house, attach a drawing of your plan along with the dimensions. You must wait for approval before you begin the work. Then post the yellow copy of the form on the front window of your house until the work is completed.

Refer to the ARC Regulations and Rules, Page 14 & 15 in the Resident Directory for more information.

Wells Belles

President- Carol Weber 612-554-8099, rcwebers@gmail.com; Vice President Kris Perry; Treasurer Donna Breezee; Secretary Coke Anderson; Ex Officio Jill Holmes

The February Thrift Store Fashion Show was enjoyed by more than 175 women. Seating was a challenge but everyone did get served. Thanks to the yoga men and Wells Belles decorators for transforming the Clubhouse from gym to elegant "restaurant" in less than half an hour. Some guys had dish pan hands after washing all the dinner plates. It is wonderful to see how we can share our common space and work together.

Our next meeting is March 7th. Everyone is encouraged to wear a hat (or ear muffs depending on the weather.) Kathy Kossila and some Wells Belles kitchen ladies will serve a lunch before the Baskets and Bonnets auction. Proceeds from the auction and a free will donation basket will go to the House of Refugee. A representative will be present to explain the work of the House of Refugee.

Wells Belles Flea Market 2019

Thanks to everyone who helped with our annual Flea Market. Also to all of those who bought raffle tickets, baked pies & cakes and came to shop. Your support was greatly appreciated. A final report is posted in the card room.

Due to the high cost of storage we will not pick-up any items until November 1, 2019. We will publish a list of items we can no longer accept in the September 2019 Wellspoken.

Wells Singers

The Wells Singers have one more month of having fun with music of all kinds...you can still join us during the month of March in having fun singing our and your favorites. We wish to thank all the Wells family for being the greatest listeners at all of our concerts...we were flattered by all the positive remarks regarding each performance. We have a great family here at The Wells. We continue our fun singing at 10am every Monday in the clubhouse...we'll see you there to just listen or sing-along.

Writers Group

During the month of January an outreach for writers in the wells was initiated by Rick Weber our resident Yoga instructor. Eight individuals showed an interest in forming a Wells Writers group. Each week, possible topics of focus were discussed for the following meeting, where attending writers were given an opportunity to read something they had written. Each person showed they had something of interest to write about. Topics ranged from childhood experiences, people of interest, memorable events. Over a period of one month, which included four meetings, it became readily apparent that almost to a person, the motivating factor which spurred this putting down of stories on paper was to leave some written account of one’s doings, and, have dones, for those that might follow us.

We wish to continue this activity and provide an opportunity for those in The Wells that wish to work on writing down their own stories - to share and network reading and writing they have enjoyed - to provide a theater of open ears and minds, audience to personalized recount of life - willing to share their own story with a small interested group, and in return for that, you are audience to some of the most incredibly interesting, interrelated, humorous, and sometimes sad, stories you will ever hear.

If you are interested in helping us get this group further off the ground, if you have a story you would like to put to words, help us lay the groundwork. We have a thousand waiting to be told stories right here in The Wells. Please think about sharing yours. Call LeeRoy or Kris Perry or look for the sign-up sheet in the club house.

A Special Thank You - Hello to My "Wells" Friends, I want to Thank You for all the "Good Times” we had during the 19 years I was able to come to AZ. for a winter visit. I enjoyed many of The Well's activities, Well's Belles, Annual Flea Market, Jam session on Thursday night (good talent), meals we enjoyed at the Club house, happy card games and visiting with you'll. I am now where Glenn Miller was born, 4-H Clubs started here in 1901 and I was born here, that the three things I remember about Clarinda, Iowa. Come see me anytime in beautiful Iowa. Thanks again.

**Why should I recycle? Does it really make a difference?**

Yes! For every ton of material recycled, the City of Mesa receives revenue which goes into the City’s general fund. This helps to support many of the services provided by the City of Mesa such as parks, libraries, street maintenance and emergency response services. On the flip side, the City of Mesa pays a disposal fee for every ton of material that is buried in the landfill.

**My plastic bags say they are recyclable. Why can’t I place them in the recycle bin?**

Plastic bags and plastic wrap get tangled in the machines used to sort recyclables which slows down the sorting process and damages the equipment. Instead you should recycle them at your local retailer so they can bypass the sorting system.

**Why can’t I bag my recyclables in plastic or paper bags?**

Recyclables should be dry, relatively clean, loose and not bagged when placed in the recycle bin. Collected material is sorted at a rate of up to 25 tons per hour and unfortunately staff cannot open or empty bags due to the risk of possibly contaminating loose recyclables with unknown or non-accepted material such as food, animal waste, diapers or yard trimmings. Bagged material will be pulled from the sorting line and sent to the landfill.

**What if I place non-acceptable items in the recycle bin?**

Placing non-acceptable items such as Styrofoam, plastic bags, clothing, yard waste or any other items listed on the back of this flyer in the recycle bin can jeopardize Mesa’s recycling efforts. Under the City of Mesa’s recycling contract, the vendor reserves the right to refuse contaminated loads or impose substantial penalty fees so please remember to only recycle the items listed above. If you have a question about a specific item, feel free to send an email to waste.info@mesaaz.gov.

*Rev 07/18*
Recycle Right. It Matters.

**NO! Do not recycle these items in the recycle bin.**

**Non-Accepted items**

Unfortunately, some things are not recyclable due to their specific composition or form OR cannot be recycled in Mesa’s recycle bin due to the limitations of the sorting process at the materials recovery facility. And while intentions might be good, placing non-acceptable items in the recycle bin causes more harm than good. Non-acceptable items lower the value of accepted materials as well as can damage the sorting equipment.

**Bagged Recyclables**
Due to unknown contents, bagged recyclables will be landfilled to avoid contaminating other material. Items should instead be loose, dry, empty and relatively clean.

**Foam Products**
Cups, take out containers, plates, packing material, etc. (There is no current market for these types of items.)

**Specialized Glass & Ceramics**
Window & auto glass, lightbulbs, bakeware, drinkware, mirrors, tile, picture frame glass, etc. (Due to their specific use, these items contain additives and can’t be recycled with regular glass.)

**Hoses & Cords**
Garden hoses, light strands, extension cords, strapping material, etc. (These items get tangled in the sorting equipment.)

**Plastic Bags & Wrap**
Plastic bags, bread/produce bags, storage bags, tarps, case wrap (bottled water, paper towels, bathroom tissue), shrink wrap, soft plastic packaging, etc. (This material gets tangled in the sorting equipment.)

**Paper Plates & Napkins**
Paper towels, facial tissue, greasy pizza boxes, etc. (Paper items that are dirty and/or greasy eliminates their ability to be recycled.)

**Pet Food Bags**
These bags are typically made of different components such as paper, plastic and/or wax lining which can’t be separated for recycling.

**Pouches**
Coffee & liquid soap refill bags, baby food & drink pouches, etc. (Pouches have different material layers which can’t be separated for recycling.)

**Lumber & Yard Waste**
Grass, branches, plywood, etc. (Yard waste can be composted at home or by participating in Mesa’s Green Barrel Program.)

**Textiles**
Clothes, shoes, rags, linens, rugs, etc. (These items can be taken to your local donation center.)

**Food Waste**
Food waste can be composted at home to produce fertilizer.

**Wire Hangers & Scrap Metal**
Appliances, electronics, batteries, pots & pans, auto parts, etc. (These items damage the sorting equipment. Contact a local scrap metal recycler for available options.)
