President's Report

This is the first time since May that the President's and HOA Manager's reports have not been a combined effort. And boy a lot has happened since then. We would like to welcome Mindy Hopkinson as our new HOA Manager. See her report below for more information about her. Scott Brenner has been granted a leave of absence for personal reasons. He should be making a decision on his future in early December. We will gladly welcome Scott back. Or we will greatly miss him and his 20+ years of serving us if he decides to pursue other opportunities.

We are slowly and carefully returning to the new normal. Several events and activities have already occurred in November, including the Veteran's Day Program and Thanksgiving Dinner. Many more activities are planned for the future including a return to Bingo in early January 2022!! The new Bingo manager will be looking for volunteers to help make Bingo a fun and successful activity for The Wells.

The new windows and doors have been installed in the Clubhouse (CH) and once the main door lock is rekeyed we will be distributing one (1) key per household for the new CH locks. If you are a renter you will need the owner of your property to email the HOA Office with permission for you to sign and receive the key for your unit.

Finally, the Neighborhood Watch (NW) Program has had a great revitalization. We are looking for a new chair to continue to lead this very vital program. Please contact the office with any questions about NW.

Homeowners who are going to alter landscape, or do any work on the outside of their home, need to get approval from the ARC committee.

ARC Committee meets the first and third Thursday of each month at 9:00 am in the conference room. Pick up and return your completed ARC Request Form to the HOA Office prior to the next ARC meeting. If you are painting, attach a sample of the colors you selected. There is a color book in the HOA Office that contains approved colors. It also contains approved colors for driveways and planter boxes. If you have any questions when filling out the ARC form, contact one of the ARC members for assistance. If you are doing any remodeling on the outside of your house, attach a drawing of your plan along with the dimensions. You **must** wait for approval before you begin the work. Then post the yellow copy of the form on the front window of your house until the work is completed.

It's good to see our friends returning to The Wells! Welcome back!

WOW! We got the windows and doors installed in the Clubhouse and it only took three and a half days to do it! There are still a few details to be finished but those will be done soon.

The new keys will begin to be distributed at the mailbox area. Each home will be given ONE key. These will be able to be duplicated by the recipient if more than one is needed.

Just a reminder to everyone that there should be NO food or drink in the Pool Room upstairs. You may have them outside on the patio area, but not inside. We don't want spills on the carpet or on the newly recovered pool tables. Thank you for your cooperation in this. The next cleaning day for the Clubhouse is Saturday, December 4.

The Neighborhood Watch (NW) program enlists the active participation of residents here at The Wells (in cooperation with the Mesa Police Department) to reduce burglaries and other neighborhood crimes in our park. Its primary purpose is the protection of lives and property - yours and your neighbor's. Make coming to our NW events a habit -- where you can meet your Block Captain, hear fascinating speakers, and learn about ways to keep yourself safe and healthy! Our next event will be in January 2022, and will feature speakers discussing 1) telephone, mail, text, and email scams that target the elderly, and 2) how to protect your delivered packages from "porch pirates"!

Have you enjoyed the Neighborhood Watch events in 2021? Did you learn something you didn't know before? Enjoyed meeting City of Mesa first responders while visiting with your neighbors at the same time? Help us keep these events coming in 2022! We are looking for 6-8 Block Captains whose sole mission is to improve the health and safety of our residents here at the Wells...and have some fun in the process!
