## **HOA President's Report**

Most of you have heard about the incident that occurred on Saturday, January 20th at the West parking lot. There was a mechanical failure while the city dump truck was in the process of dumping one of our garbage bins. This resulted in a hydraulic spill. Mesa Fire, Police & Solid Waste Response teams all quickly responded and the fire was quickly put out. There was some concern that the hydraulic fluid would enter the Storm sewers on Mohave Drive directly West of the incident. The Solid Waste Response team did a great job of protecting the sewer system. Some additional cleanup was required on Monday.

We are finally seeing some progress for the landscaping project at the NE corner of the Clubhouse. After several different ideas and input from the Community a plan has been selected and is being implemented. We should see completion by the end of the month.

We will continue to ask everyone to respect your neighbors and avoid any loud noises from 10 PM till 6 AM per Mesa's guidelines. This includes any large items being thrown into the dumpsters during these over night hours.

And a few final reminders: the Tuesday morning BOD meeting is moved to February 13th @ 8:30 AM due to the upcoming election. The \$4.00 monthly general assessment increase will take effect on March 1st. We are looking for someone or a group to coordinate the selling of The Wells tee & polo shirts. If you are interested, please see a BOD member. Finally, the Mesa Marathon will be run on February 10th affecting traffic along McDowell Road. There are maps & details for this run located at the North gate to the pool. -Jim Riedl, President

## **HOA Manager's Report**

Elections are approaching. If your account falls more than 30 days past due, YOUR VOTING RIGHTS WILL BE SUSPENDED. Accounts may be brought current and voting rights restored up to Election Day. If there is a question as to voting rights as it pertains to your account, you will be sent to the office.

Please pick your fruit from your trees now. All fallen fruit becomes food for rodents and other unwanted creatures. A few dead rats have been found around the community. Violation notices will be given to homeowners whom are not picking up their fallen fruit.

Distribution of the 2024 Wells Directory will take place in February. Bob and Carol Tomasic will be handing them out by the mail boxes. Directories can be picked up from the office afterwards. Directories will be handed out to homeowners ONLY unless written/emailed consent is given to the office by the homeowner.

Reminder: Break down all boxes so everyone can utilize the bins effectively.

**Please only flush toilet tissue down your toilets. Thank you!**
