The HOA President's Report

Good day to everyone here in The Wells Community and as I write this article, we are experiencing a semi rare rain shower.

First things first, our primary concern at this time to ensure that our transition to the new gate system runs as smoothly as it possibly can. Make sure that you come to the office to pick up your new gate FOB and familiarize yourself with the process to open the gates. If you have any problems with it, the office staff is here to help you.

A secondary issue that I feel a need to address is safety concerns within the community. We are now approaching the time when we are close to full occupancy and safety becomes more critical. There are many homeowners out and about with a number of them facing mobility issues. Therefore, it is essential that drivers and those with golf carts be well aware of, and follow our speed limits so, that we are not endangering anyone. We have several times in the past talked about the use of speed bumps throughout the community. Even though those talks have never moved beyond the talking state, the issue is heating up again. Safe speed and safety on our streets is a must and remember "only you can prevent speed bumps."

Along these same lines, we have had several instances of conflicts with dogs and home owners. It is imperative that we keep control of our pets, pick up after them and keep them from conflict with other pets and owners. This is extremely important as we seem to have more and more pets every year.

I hope that everyone has a safe and fruitful Thanksgiving and remember to give "thanks" for all that we do have. HOA President, Bob Tomasic #41

HOA Manager's Report

The McDowell Gate is fully operational. The smaller system box was replaced with a larger one to provide a more aesthetically pleasing look and integrate the SRP and Fire Access Controls into the box instead of having them mounted to the outside.

We are still waiting for Blue Stake to complete the markings for the 56th Street Gate before Junto Tech can saw-cut the entrance. They are running behind because of the rain. Work will begin Monday December 1st.

Once they saw-cut, that entrance will be closed until we finish the install, which will take about 4-5 days. We will re-open it as soon as possible, if things go quicker than anticipated.

Junto Tech spent 2 days at the McDowell entrance and helped residents understand how to use the FOBs. The FOBs are programmed, and the Guest Access PIN is working as well. They are also working with the manufacturer on a more simple, user-friendly version of the mobile app, that should be available for release soon.

If you are experiencing issues with your FOBs please bring them to the HOA office. Please see the photo attached on the last page of the Wellspoken.

If you would like to add an article into the wellspoken please be sure to email or bring in your article to the HOA office by the deadline stated on the front page of the Wellspoken.

The HOA office will be closed Thursday, December 25th & January 1st, in observance of Christmas and New Years Day.

Happy Holidays & Please pick up after your pet. Thank you!

THE WELLS COMMITTEES

Architectural Review Committee (ARC)

Chairperson: Ken Shadle

Members: Tom Crosbie, Bob Winkels, Judy Craver, Barb Justice, Hal Severance, Dale Emerson, Scott Brenner, Barb Cramer, Denise Kozlowski, and Klye Prodoehl

Homeowners who are going to alter landscape, or do any work on the outside of their home, need to get approval from the ARC Committee. The ARC Committee meets the first and third Thursday of each month at 9:00am in the conference room. Pick up and return your completed ARC Request Form to the HOA Office prior to the next ARC meeting. If you are painting, attach a sample of the colors that you selected. There is a color book in the HOA Office that contains approved colors. It also contains approved colors for driveways and planter boxes. If you have any questions when filling out the ARC form, contact one of the ARC members for assistance. If you are doing any remodeling on the outside of your house, attach a drawing of your plan along with the dimensions. A recommended list of plants for the planter box and the side of the home is in the HOA Office. You **must** wait for approval before you begin the work. After approval, post the yellow copy of the form on the front window of your house until the work is completed.

Members: Dale Emerson, John Burns, Terry Meikle, Larry Berg, Sue Hutchinson and Dave Slattery

Buildings and grounds has been busy gathering information for the first of the season Board meeting and the finance committee. Road surface crack sealing, water / irrigation issues have also been studied.

Saturday the 13th of December will be the next planned work day. A few dedicated volunteers have continued to upgrade several of the pool deck chairs. We also plan to work on the redo of the area in front of the mailbox/office. The root problem with a tree in the east greenway looks to also possibly make the list of chores to do.

We will also work on filling some of the large cracks in the road surface. The large tree east of the clubhouse has been addressed and hopefully by the time this reaches print, it will be fixed. The buildings and grounds committee welcomes input from all residents and invite new members to join our group.

President: Diana Butzlaff

Vice President: Connie Huff-Essmeier

Treasurer: Donna King, Secretary: Marla Hausauer, Ex Officio: Laurie Page

December's meeting is the Christmas Tea on December 11, starting at 11am. This year's event will be a traditional High Tea with scones and clotted cream, and finger sandwiches and holiday desserts. There are 12 tables, so be sure to sign up for your spot. The signup for the Tea is on the bulletin board in the cardroom. We will have a waitlist, if we have more interest than spots.

Our charity is Sleep in Heavenly Peace which builds beds for children who don't have one. Staff from the group will be here to tell us about their project. This year members can choose to donate cash or buy bedding for the beds. Sheets and pillows must be new, but comforters can be quilted, knitted, or even tied fleece blankets. The size is a twin bed 55" x 75". If you do bedding, put a note on it of the price you paid. Wells Belles will match up to \$1500 of the cash and bedding.

Also this year, we're trying a Secret Santa. If you want to participate, indicate with a star or check mark when you sign up for the Tea. Bring a wrapped gift (\$10-12) to put under the tree. To make it a real secret you don't have to sign your name.

Officers are also installed at this meeting. They are Connie Huff, President; Audrey Boe Olson, Vice President; Marla Hausauer, Secretary; Ronni Jaeger, Treasurer.

As a service to our Wells residents, we would like to create a list of community services, such as food assistance, transportation and support for independent living. This list would be included in the Wellspoken every month. Kathi Middendorff has agreed to work on this project. If you are interested in contributing, drop a note with your name and house number into the Suggestion Envelope in the cardroom or call Kathi directly.
