## **President's Report**

*Dean Blixt, 480-641-3776 (office)*

We have had thefts in our community including golf carts, bikes, TV's, logs, and vehicle break ins. If this happens to you, please report it to Mesa police. The police will increase surveillance in our area. Also, watch for problems at your neighbors.

The yearly street work is done. Thanks for your cooperation during this time. Letters regarding water leaks have gone out and many of you that received them are responding. Thank you. Water leaks cost the entire community.

Three trees that building and grounds recommended be removed have been taken out. Palm trees have been planted in that area.

Flooring, carpeting, and panels will be done in the clubhouse starting in April and completed in May.

Many residents have left for their summer homes. I wish them a safe trip home and return in the fall. I hope they all filled out a departure form.

There will be activities thru-out the summer. Be sure to check bulletin boards and The Wellspoken for updates.

The pool is getting a lot of use. Thanks to Scott for keeping it in such good condition.

The Wells community is looking good thanks to the pride of the homeowners. The Wells, what a great place to call home. Always be a little kinder than necessary.

## **Manager's Report**

### **Farnsworth Realty & Management Co.**

*Lia Correa, 480-641-3776 (office)*

The month of May...

We honor the brave men and women on Memorial Day in appreciation of our American Soldiers, Military Personnel and Veterans for all their dedication and sacrifices. People across the country will gather together to remember those who have given their life in defense of our great country. Enjoy the long weekend, take time to remember and reflect on those who helped make our country great. They honorably gave their lives for this country so that we may be free.

I'd like to share a tradition Hawaii celebrates on May 1st. "May Day is Lei Day" Everyone is encouraged to wear a Lei (Flower Garland). As a child, every elementary school would have a lei making contest with all the beautiful flowers of Hawaii. They would hold a Lei day court celebration of crowning Kings, Queens & Princesses. The Lei day court would represent the colors of the Islands through a dance wearing Leis & head pieces. A Lei is an expression of Love, Respect or Welcoming.

Now Back to business...

We will be trimming Palm trees in Mid June. They are \$30 per tree. Please pay the office and we will add you to the list.

For those of you who have received a water leak letter... If you haven't already, please contact the office with your plans.

It has been reported to the office there are items being stolen. It is very important to contact the police and make a report right away.

## **COMMITTEE REPORTS**

### **Architectural Review (ARC)**

*Don McDermott, 480-641-9322*

The ARC Committee meets the **1<sup>st</sup> and 3<sup>rd</sup> Thursday** on a regular basis. Please watch bulletin boards for updates on meetings. All ARC Change Requests are carefully studied before they are approved or disapproved. They are disapproved only when they are in clear violation of the CC&RS and Rules & Regulations. The Committee works hard.

You should have an approved ARC request form before starting any work. The residents can help them in their work by being careful to file requests for any changes in their building construction, painting or landscaping. Change Request Forms can be picked up in the office.

I wish to thank all of the residents who cooperate so well with the Committee. It is by working together that we achieve our objectives of keeping the Community looking so nice.

## **Buildings & Grounds**

*Wayne Geraldts, Co-chair 480-641-1246*

*Bernie Plischke, Co-chair 480-325-8529*

A lot of our residents have left for the summer, others will be leaving soon and we wish them all a safe trip. As a result, we don't have many left here for our Building and Grounds workdays. But, as the desert heats up, we can wait until fall for much of the work that we have planned.

However, we did manage to complete some projects this month. We painted the Wells signs and the buckets for our wishing wells. We have cleaned, painted and installed new glass at our main gate entrance pad (where the map is located). We installed an exhaust fan in the pump room to help remove some of the salt air from the pumps. The grid for the wishing well is welded and ready to be cleaned and painted. We are making a new oak wooden bucket for the well, and will try to finish it soon.

The 3 trees at Red Mountain and Greenway have been removed. By the time that you read this, the stumps should be removed, the 5 new Mexican Fan palms should be planted and that portion of the landscaping completed.

Thanks to everyone for your co-operation and your constructive criticism. As before, if I can help you, please let me know, as I care for my friends and the Wells community.

I would like to have input regarding a new color for our front gate. We want something that would give contrast to the red mountain outline. If you have an idea, let me know. Thanks again.

## **Clubhouse Committee**

*Sharon Nelson, Chair 605-553-4440*

*Ron Radloff, Co-Chair 480-985-3900*

We will be carpeting the pool room floor in the near future so will have to close the room for a day or so and will let people know when that will be. Also we will be putting new flooring in the exercise room and painting that.

The ceramics group wanted a new floor at the same time so they are paying for that and will be done at the same time. Thank you to Marcia Priebe for keeping our kitchen so clean. Thanks to all the people who come on our Saturday workday to help clean areas in need.

Mary Long and Lois Howland will have keys for the kitchen over the summer months as will the office.

## **Social Committee**

*Chairman, Marge Pond, 480-325-2813*

*Co-Chair, Kathy Kossila, 480-325-1302*

In May we will be having a barbeque for Memorial Day, July we will celebrate 4<sup>th</sup> of July with a barbeque.

Remember we will be celebrating birthdays and Anniversaries each month on the 3<sup>rd</sup> Thursday of each month.

Movies will be held on Monday Nights at 6pm. Bring a drink and we will provide the popcorn.

The Social Committee would love to see our functions go green by asking everyone to bring their own place settings. Plate, fork, knife, spoon and Cup. If you forget to bring your place setting we will have paper plates available. Every person that brings their own place setting is sending five less items to the landfills, saving the Wells money by not needing to purchase as much paper products and not filling the dumpsters with all that paper. I hope everyone has a wonderful summer.
