## **President's Report**

*Dean Blixt, 480-641-3776 (office)*

Welcome back to our traveling homeowners. When you arrive back be sure the office knows you are back.

There has been a lot of talk regarding cameras in our clubhouse. I'll try to set the record straight. The cameras are located in various parts of the clubhouse, pool area and recreation area west of the clubhouse. They were installed by our management company to help them better manage our community. They operate 24/7. They are owned and monitored by our management company. There is no cost to The Wells.

There are rental properties here at The Wells. Our CC&R's explain the rules for owners and renters.

Section 3.10 explains age restrictions

Section 3.22 Rentals

The office has to have a record of who resides in our community and the renters have to have the proper information about our community guidelines and rules (Covenants, Conditions & Restrictions).

The Board of Directors and Finance Committee are working on the 2012 budget.

Remember that BINGO starts November 7 at 7:00 PM.

Ron Radloff and Scott did an outstanding job on the clubhouse floor. The pool has been a busy place and Scott is doing a great job servicing it.

We live in a wonderful community. The Wells, what a great place to call home. Speak well of others, live well, laugh often, love much.

## **Manager's Report** **Farnsworth Realty & Management Co.**

*Lia Correa, 480-641-3776 (office)*

It has been a pleasure seeing familiar faces. Welcome back Winter Visitors! Thank you for dropping by the office to let us know you are back. Communication always makes things run smoothly.

The winter grass is starting to grow and look green again ! !

As a reminder; The Community Patio Sale is November 5th. You may sign up in the office or on the bulletin board.

*May your stuffing be tasty, May your turkey plump, May your potatoes and gravy have nary a lump. May your yams be delicious and your pies take the prize, and may your Thanksgiving dinner... Stay off your thighs!*

***Happy Thanksgiving Wells Residents !***

## **COMMITTEE REPORTS**

### **Architectural Review (ARC)**

*Don McDermott, 480-641-9322*

The ARC Committee meets the **1<sup>st</sup> and 3<sup>rd</sup> Thursday** on a regular basis. Please watch bulletin boards for updates on meetings. All ARC Change Requests are carefully studied before they are approved or disapproved. They are disapproved only when they are in clear violation of the CC&RS and Rules & Regulations. The Committee works hard.

You should have an approved ARC request form before starting any work. The residents can help them in their work by being careful to file requests for any changes in their building construction, painting or landscaping. Change Request Forms can be picked up in the office.

I wish to thank all of the residents who cooperate so well with the Committee. It is by working together that we achieve our objectives of keeping the Community looking so nice.
